Re: Ice allocation for 2018/2019 Season

As per the Ice Booking Policy adopted by the Regional District of the North Okanagan, this letter is written to your group as notification for your request of ice for the upcoming ice season.

This is the important first step in securing the ice time of which your group requests for the 2018/2019 ice season at the Pat Duke Arena. Upon receiving all requests, the Committee will then compile all information, prepare a tentative ice schedule of applications received and present this schedule at an Ice User Allocation meeting in July of each year.

It is important to note the anticipated start date of your group’s ice request with this notice. The arena will begin operation based on demand.

This form must be returned by July 15 2018 to:

Village of Lumby
PO Box 430
Lumby, B.C. V0E 2G0

Fax: 250-547-6894
Email: cathiw@lumby.ca

Failure to return this form by the stipulated date will result in your ice time being forfeited and distributed to other prospective ice users.
